**Once disk is supplied to us, we will take it for granted
that the job is 100% and ready for repro.**

Customers must comply to these rules.

Failure to do so will result in delay on delivery times and additional costs.

Any additional repro changes on our side will be an extra cost of DTP time.

You will be required to sign off the changes.

Please let us know if you need to see plotter copies after impositioning.

Thanks
